

Red Guitar

Australian Crawl

We got waist coat, we got-ta, riding boots
We got a red guitar
Unique I wonder, why wonder
If we are

Wah-wah-wah red guitar

From the very first time I held you
Four years ago
That red guitar taught me a few things, maybe
It taught me all that I know

Wah-wah-wah red guitar
I'm gonna read about it
Wah-wah-wah red guitar
I'm-a very Red

Wah-wah-wah red guitar

Lord those years may come
Lord those years may go
Got a cliché on cliché
Got show after show

We got waist coat, we got-ta, riding boots
We got a red guitar
Unique I wonder, why wonder
If we are

Wah-wah-wah red guitar
I'm gonna read about it
Wah-wah-wah red guitar
I'm-a very red
Wah-wah-wah red guitar
