

## Not You

Authority Zero

Not you!  
Not you!  
Not you!  
Not you!  
I'm me not you!  
What have I done, and what am I to believe?  
Well, not a single thing you're saying to me  
I've had enough my friend, and I'm fed up again  
Well it's me not you  
See it's my life not yours  
Take a look I'm not gonna take anymore  
Don't you know it's me not you!  
Individuality, what does it mean  
I think it's you'll be you, and I'll be me  
Your own opinion? Great, grand, good for you  
It's still me, not you  
It's my life not yours  
Take a look I'm not gonna take any more  
Don't you know it's me not you.
