Ava Max

Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah

I hear 'em talk in the dead of the night (Yeah, yeah, yeah, yeah)  
You're always there at the scene of the crime (Yeah, yeah, yeah, yeah)  
But it feels like a lie when I look in your eye  
They say it's talk, baby, I see the bright side (Yeah, yeah, yeah, yeah)

So who's gonna love you if it ain't me, baby?  
Who's gonna touch you if it ain't me, baby?

I hear your rumor, rumor, rumors  
Rumor, rumor, ru- (Ooh, ooh-ooh)  
Rumor, rumor, rumors  
But I keep running, running into your room  
Rumor, rumor, rumors  
Rumor, rumor, ru- (Ooh, ooh-ooh)  
Rumor, rumor, rumors  
But I keep running, running into your room

Let 'em talk, let 'em all speculate, oh (Yeah, yeah, yeah, yeah)  
Let's get outta here, it's getting late  
It's getting late (Yeah, yeah, yeah, yeah)  
They'll be jealous for sure when they see that I'm yours  
I like the wild side, I'm not afraid  
I'm not afraid (Yeah, yeah, yeah, yeah)

So who's gonna love you if it ain't me, baby?  
Who's gonna touch you if it ain't me, baby?

I hear your rumor, rumor, rumors  
Rumor, rumor, ru- (Ooh, ooh-ooh)  
Rumor, rumor, rumors  
But I keep running, running into your room  
Rumor, rumor, rumors  
Rumor, rumor, ru- (Ooh, ooh-ooh)  
Rumor, rumor, rumors  
But I keep running, running into your room

(Ooh, ooh-ooh) Rumor
