

Dreams I Dream For You

Avalon

You taste the tears
You're lost in sorrow
You see your yesterdays
I see tomorrow

You see the darkness
I see the spark
You know your failures
But I know your heart

The dreams I dream for you
Are deeper than the ones you're clinging to
More precious than the finest things you knew
And truer than the treasures you pursue
Let the old dreams die
Like stars that fade from view
Then take the cup I offer
And drink deeply of
The dreams I dream for you

You see your shame
But I see your glory
You've read one page
I know the story

I hold a vision
That you'll become
As you grow into the truth
As you learn to walk in love

Let the old dreams die
Like stars that fade from view
Then take the cup I offer
And drink deeply of
The dreams I dream for you
