

Danger Line

Avenged Sevenfold

Dm E Gm Es 2x

Dm

My 16 locked and loaded
All fear has been avoided

Gm

You say the words and my weapon is drawn

Dm

This one could be my last time
Some people call it war crime

Gm

Es

I may be staring out of either side

Dm

Gm

Nothing shocks you like a bullet hole

Es

Leaving my fear on the danger line

Dm

Gm

Suffering a man should never know

Es

Leaving my faith on the danger line

Dm E Gm Es

Dm

I do this for my family
My daughter loves her daddy

Gm

Too many talk down on things they don't know

Dm

With colors never faded
Reckless and unavaded

Gm

Es

They may take me but they won't take us all.

Dm

Gm

Nothing shocks you like a bullet hole

Es

Leaving my fear on the danger line

Dm

Gm

Suffering a man should never know

Es

Leaving my faith on the danger line

Dm

B

I know what you're thinking

F

C

I've been there before

B

F

So think of the times

C

Dm

The time we spent laughing away

B

F

So think of the times

A

And hope

B **F**
 Now I find myself in my own blood
C **Dm**
 The damage done is far beyond repair
B **F**
 I never put my faith in up above
A
 But now I'm hoping someone's there

B **F**
 I never meant to leave this world alone
C **Dm**
 I never meant to hurt the ones who cared
B **F**
 And all this time I thought we'd just grow old
A
 You know, no one said its fair
B **F**
 Tell my baby girl that its alright
C **Dm**
 I've sung my last song today
B
 We're not alone
F **A**
 Don't leave this light on for me
 I'm free
