

Fade Into Darkness

Avicii

Looking up there's only sky
Rest your head I'll take you high
And we won't fade into darkness
Won't let you fade into darkness
Where were we now
You'll be safe

Hold my hand, just in case
And we won't fade into darkness
Fade into darkness
No we won't fade into darkness
Fade into darkness

Fade into darkness
Fade into darkness
Fade into darkness
Fade into darkness
