Don't know, don't know if I can do this on my own Why do you have to leave me?
It seems I'm losing something deep inside of me Hold on, on to me

Now I see, now I see

Everybody hurts some days
It's okay to be afraid
Everybody hurts, everybody screams
Everybody feels this way
And it's okay, it's okay

It feels like nothing really matters anymore When you're gone, I can't breathe
And I know you never meant to make me feel this way
This can't be happening

Now I see, now I see

Everybody hurts some days
It's okay to be afraid
Everybody hurts, everybody screams
Everybody feels this way
And it's okay, it's okay

So many questions, so much on my mind So many answers I can't find Wish I could turn back the time I wonder why

Everybody hurts some days Everybody hurts some days

Everybody hurts some days
It's okay to be afraid
Everybody hurts, everybody screams
Everybody feels this way
And it's okay, it's okay, it's okay

Everybody hurts some days It's okay to be afraid Everybody hurts some days Yeah, we all feel pain

Everybody feels this way
And it'll be okay
Can't somebody take me away to a better place
Everybody feels this way, it's okay

It's okay, it's okay
It's okay, it's okay
