

# Fall to Pieces

Avril Lavigne

I looked away  
Then I look back at you  
You try to say  
The things that you can't undo  
If I had my way  
I'd never get over you  
Today's the day  
I pray that we make it through

Make it through the fall  
Make it through it all

And I don't wanna fall to pieces  
I just want to sit and stare at you  
I don't want to talk about it  
And I don't want a conversation  
I just want to cry in front of you  
I don't want to talk about it  
Cuz I'm in love with you

You're the only one,  
I'd be with till the end  
When I come undone  
You bring me back again

Back under the stars  
Back into your arms

And I don't wanna fall to pieces  
I just want to sit and stare at you  
I don't want to talk about it  
And I don't want a conversation  
I just want to cry in front of you  
I don't want to talk about it  
Cuz I'm in love with you

Wanna know who you are  
Wanna know where to start  
I wanna know what this means

Wanna know how you feel  
Wanna know what is real  
I wanna know everything, everything

And I don't wanna fall to pieces  
I just want to sit and stare at you  
I don't want to talk about it  
And I don't want a conversation  
I just want to cry in front of you  
I don't want to talk about it

And I don't wanna fall to pieces  
I just want to sit and stare at you  
I don't want to talk about it  
And I don't want a conversation  
I just want to cry in front of you  
I don't want to talk about it

Cuz I'm in love with you

I'm in love with you  
Cuz I'm in love with you  
I'm in love with you  
I'm in love with you
