Every now and then we all want somethin', Even if there's no way of gettin' it. If I stomp my feet quick that maybe be the way around it, Could I get myself around it.

Get me what I want, Everything I don't got So give me what I want Cause I'm a big shot

Don't wanna always have to be so nice Don't wanna hear you say well that's just life I'll drown you out when I open my mouth, And make my way around it. I always make my way around it.

Get me what I want, Everything I don't got. Give me what I want, Cause I'm a big shot.

So give me what I want, I always get what I want. You don't wanna see me when I don't get what I want; It's not what you want.

I'm not about to take no
For answer; NO, if I tell
You I can't I'm still gonna go.
I did it all by myself and I found
I found my way around it

Get me what I want, Everything I don't got. Give me what I want 'Cause I'm a big shot.

So give me what I want, I always get what I want You don't wanna see me when I don't get what i want That's not what you want.

It's not too lovely,
It could start to get ugly,
It really bugs me, if
If I don't get my way!

Get me what I want, Everything I don't got. So give me what I want, Cause I'm a big shot.

So give me what I want,
I always get what I want.
You don't wanna see me when

I don't get what I want;
It's not what you want.
If I don't get what I want;
It's not what you want.
