Are you aware of what
You make me feel, baby
Right now I feel invisible to you
Like I'm not real
Didn't you feel me lock
My arms around you
Why'd you turn away?
Here's what I have to say

I was left to cry there, Waiting outside there Burning with a lost stare That's when I decided

Why should I care
'Cause you weren't there when I was scared
I was so alone
You, you need to listen
I'm starting to trip, I'm losing my grip
And I'm in this thing alone

Am I just some chick You place beside you To take somebody's place When you turn around Can you recognize my face You used to love me, You used to hug me But that wasn't the case Everything wasn't okay

I was left to cry there, Waiting outside there Burning with a lost stare That's when I decided

Why should I care
'Cause you weren't there when I was scared
I was so alone
You, you need to listen
I'm starting to trip, I'm losing my grip
And I'm in this thing alone

Crying out loud Crying out loud

Open your eyes
Open up wide
Why should I care
'Cause you weren't there when I was scared
I was so alone

Why should I care
'Cause you weren't there when I was scared
I was so alone
Why should I care
If you don't care then I don't care

We're not going anywhere

Why should I care
'Cause you weren't there when I was scared
I was so alone
Why should I care
If you don't care then I don't care
We're not going anywhere
