

# Remember When

Avril Lavigne

Remember when I cried to you a thousand times  
I told you everything  
You know my feelings  
It never crossed my mind  
That there would be a time  
For us to say goodbye  
What a big surprise

But I'm not lost  
I'm not gone  
I haven't forgot

These feelings I can't shake no more  
These feelings are running out the door  
I can feel it falling down  
And I'm not coming back around  
These feelings I can't take no more  
This emptiness in the bottom drawer  
It's getting harder to pretend  
And I'm not coming back around again

Remember when...

I remember when it was together till the end  
Now I'm alone again  
Where do I begin?  
I cried a little bit  
You died a little bit  
Please say there's no regrets  
And say you won't forget  
But I'm not lost  
I'm not gone  
I haven't forgot

These feelings I can't shake no more  
These feelings are running out the door  
I can feel it falling down  
And I'm not coming back around  
These feelings I can't take no more  
This emptiness in the bottom drawer  
It's getting harder to pretend  
And I'm not coming back around again  
Remember when...

That was then  
Now it's the end  
I'm not coming back  
I can't pretend  
Remember When

These feelings I can't shake no more  
These feelings are running out the door  
I can feel it falling down  
And I'm not coming back around  
These feelings I can't take no more  
This emptiness in the bottom drawer  
It's getting harder to pretend

And I'm not coming back around again...
