

Smile

Avril Lavigne

You know that I'm a crazy bitch
[Voice] I do what I want when I feel like it
All I wanna do is lose control oh oh
But you don't really give a shit
[Voice] you go with it go with it go with it
Cause you're fucking crazy rock'n'roll

You said hey
What's your name
It took one look
And now I'm not the same
Yeah you said hey
And since that day
You stole my heart
And you're the one to blame

Yeah
And that's why I smile
It's been a while
Since every day and everything has
Felt this right
And now you're turning it all around
And suddenly you're all I need
The reason why I smile

Last night I blacked out I think
What did you, what did you put in my drink
I remember making out and then oh oh
I woke up with a new tattoo
your name was on me and my name was on you
I would do it all over again

You said hey (hey)
What's your name (What's your name)
It took one look
And now I'm not the same
Yeah you said hey (hey)
And since that day (since that day)
You stole my heart
And you're the one to blame

Yeah
And that's why I smile
It's been a while
Since everyday and everything has
Felt this right
And now you're turning it all around
And suddenly you're all I need
The reason why I smile
The reason why I smile

You know that I'm a crazy bitch
I do what I want when I feel like it
All I wanna do is lose control
You know that I'm a crazy bitch
I do what I want when I feel like it
All I wanna do is lose control

And that's why I smile
It's been a while
Since everyday and everything has
Felt this right
And now you're turning it all around
And suddenly you're all I need
The reason why I smile
The reason
The reason why I smile
The reason why I smile
