

# Take Me Away

Avril Lavigne

1. I cannot find a way to describe it  
It's there inside; all I do is hide  
I wish that it would just go away  
What would you do, you do, if you knew  
What would you do

R: All the pain I thought I knew  
All the thoughts lead back to you  
Back to what was never said  
Back and forth inside my head  
I can't handle this confusion  
I'm unable; come and take me away

2. I feel like I am all alone  
All by myself I need to get around this  
My words are cold, I don't want them to hurt you  
If I show you, I don't think you'd understand  
Cause no one understands

R:

I'm going nowhere (on and on and)  
I'm getting nowhere (on and on and on)  
Take me away  
I'm going nowhere (on and off and off and on)  
(and off and on)

R:

Take me away  
Break me away  
Take me away
