

Living On the Edge

Axe

You've been lyin' to yourself
Tryin' to live in someone else
Hearing screams that you can't explain
From the fire inside your brain
But you can't
No you can't
Run away
Can't you see that you've been
Livin' on the edge of reality
And you've gone too far
You tried to run and hide
Behind the depths of your insecurity
Now you've gone too far
Look around, have you found
All the dreams you left behind
When you search through your long ago
Can you still recall the times
When you tried
But you can't
Run away
Can't you see that you've been
Livin' on the edge of reality
And you've gone too far
You tried to run and hide
Behind the depths of your insecurity
Now you've gone too far
Now you notice
The changes that you made
And all the tears you cried
Over choices you tried to evade
Can't you see that you've been
Livin' on the edge of reality
And you've gone too far
You tried to run and hide
Behind the depths of your insecurity
Now you've gone too far
