

Steal Another Fantasy

Axe

I've seen that look in your eye before
Some people call it love
But I know what lies behind those eyes
It ain't no gift from up above

Now you may fool everyone
But you can't fool me
Your love's about as innocent
As it is free

I've watched you playing your games before
And I always know when
I see 'em leave by the morning light
And they don't come back again

Now you may fool everyone
But you can't fool me
Your love's about as innocent
As it is free

What's on your mind
Who's on the list tonight
Will you set him free
Or steal another fantasy
Turn on the light
And have him come to you
And make his dreams come true
Steal another fantasy

What's on your mind
Who's on the list tonight
Will you set him free
Or steal another fantasy
Turn on the light
And have him come to you
And make his dreams come true
Steal another fantasy
