

Eternal Prisoner

Axel Rudi Pell

I saw the shadow rising
from a hill up down below
there was no place
for hiding
still i didn't know
where to go

I'd better be aware of
the place of no return
all i could hear was some-
one saying "burn"

Eternal prisoner
forever lost in space
eternal prisoner
forever locked in a cage

In the light of day
you can hear
the wizard pray
and in the dark of night
there was a rainbow
shining bright

Eternal prisoner
forever lost in space
eternal prisoner
forever locked in a cage

They never saw
the light of day
all they could do
was wish and pray
they were tortured
to the bones
with swords and
glowing stones
