

# Total Eclipse

Axel Rudi Pell

Turn around, every now and then I get a little bit lonely  
And you're never coming 'round  
Turn around, every now and then I get a little bit tired  
Of listening to the sound of my tears  
Turn around, every now and then I get a little bit nervous  
That the best of all the years have gone by  
Turn around, every now and then I get a little bit terrified  
And then I see the look in your eyes  
Turn around bright eyes  
Every now and then I fall apart  
Turn around bright eyes  
Every now and then I fall apart  
And I need you now tonight  
And I need you more than ever  
And if you'll only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
'Cause we'll never be wrong  
Together we can take it to the end of the line  
Your love is like a shadow on me all of the time, all of the ti  
me  
I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks  
I really need you tonight, forever's gonna start tonight  
Forever's gonna start tonight  
Once upon a time I was falling in love  
But now I'm only falling apart  
There's nothing I can do  
A total eclipse of the heart  
And I need you now tonight  
And I need you more than ever  
And if you'll only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
'Cause we'll never be wrong  
Together we can take it to the end of the line  
Your love is like a shadow on me all of the time, all of the ti  
me  
I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks  
I really need you tonight, forever's gonna start tonight  
Forever's gonna start tonight  
Once upon a time I was falling in love  
But now I'm only falling apart  
There's nothing I can do  
A total eclipse of the heart
