

Feel The Vibe

Axwell

(You've gotta feel the vibe!...)

Holding out for you in the crowds
Boy I need it now (woah)
So play me what you know I wanna hear
And I'll show you how (woah)

I've waited so long
To have you with me
All too soon the morning's gone

(You've gotta feel the vibe)
You've got to let yourself go til the morning comes
'Cos I dont wanna think about it
Got to let go til the morning comes (You've gotta feel the vibe)
Yeah yeah yeah

Standing in your ivory towel
Dont you know what you give (woah)
I was reaching out for you now you're here
You change the way that I live (woah)

I've waited so long
And now you're with me
All too soon the morning's gone

(You've gotta feel the vibe)
You've got to let yourself go til the morning comes
'Cos I dont wanna think about it
Got to let go til the morning comes (woah)
Yeah yeah
Let yourself go til the morning comes
'Cos I dont wanna think about it
Got to let go til the morning comes (You've gotta feel the vibe)
Yeah yeah yeah

You're coming my way, we're moving in time
You're lifting me up now I feel your vibe
Ooohhh ooooooo
Oh yeah
We're starting to sweat, we're moving in time
You're lifting me up now I feel your vibe
Wayyeahhhhhh

You've got to let yourself go til the morning comes
'Cos I dont wanna think about it
Got to let go til the morning comes (woah)
You've got to let yourself go til the morning comes
'Cos I dont wanna think about it
Got to let go til the morning comes (You've gotta feel the vibe)
Hey yeah yeah
