I Found U

Axwell

Thank god I found you
I never really had a love
Sent from heaven up above
I'm just so happy because
Thank god I found you

Everybody wanna know
Why I'm walking round with a big smile on my face
Hey I'm happy and it shows
Hey I'm back and I'm part of a human race
Cos you know I've been down so long
Never thought I'd ever feel this way again
And everything was going wrong
Til you found me and you make me believe again

CHORUS
I never really had a love (til I found you)
Sent from heaven up above (and it's so true)
I'm so happy just because (I found you)
Damn I'm happy that I found you
I never really had a love (til I found you)
Sent from heaven up above (and it's so true)
I'm so happy just because (I found you)
Yoo-oo-oo-oou!

I don't know what you did
But what you did you can keep on doing it yeah
I'm so happy I wanna fly
Cos your love just keeps on taking me higher
Don't you know I've been down so long (down so long)
Never thought I'd ever feel this way again
And everything was going wrong (going wrong)
Til you found me and you make me believe again

REPEAT CHORUS

Thank god I found you
Thank god I found you
Thank god I found you (yes I yes I do)
Thank god I found you
Thank god I found you
Thank god I found you (Thank god I)
Thank god I found you
Thank god I found you

REPEAT CHORUS
