Sometimes my life is like a storyboard A book of things, somebody else wrote I feel controlled with every move I make It's like a Deja vu or am I awake?

The burden of my life - it's left behind I gotta get away - no matter what I find Feel the overwhelming moment When you free your mind

Chorus:

Take me far away Beyond the blue horizon Take me far away Let me go my way to you

A set of many rules - I've self-imposed
Was like a prison for my soul that I enclosed
I gotta get away from all that's left
I gotta break my cage in which I was pressed

For now head up and I stay strong I fake a smile - then I move on Feel the overwhelming moment When you free your mind

Chorus:

Take me far away
Beyond the blue horizon
Take me far away
Another day is dawning
Love will find a way

Solo

Chorus:

Take me far away
Take me far away
Take me far away
Beyond the blue horizon
Take me far away
Another day is dawning
Let me go my way
