

# Hero

Aynsley Lister

The sun was shining but you cast a cloud  
It started raining U didn't hang around

You spend my money not a cent of your own  
Give me the bill for your ticket home  
You wanna be my hero but you let me down  
Your telling me it's the way to go  
I followed you down that nowhere road  
We talked about it into the night  
When it all goes wrong I'm the one who's gotta make it right  
You wanna be my hero but you let me down  
You wanna be my hero but you let me down  
You let me down ya...

It all seems rosy rite from the start  
It's all gone wrong you are tearing me apart  
You spend my money not a cent of your own  
Give me the bill for your ticket home  
Ooh, You wanna be my hero but you let me down  
You wanna be my hero but you let me down  
Let me down ya
