

Rest Assured

Ayo

My lips made a promise
When I spoke my vow, yes
I said, in my heart, yeah
Only you can have this
And there will be thunder
And there might be quakes
But a warm bit of love
Surely never breaks

I won't love you no less, just more, rest assured
In you I found what I've been looking for, rest assured
I won't love you no less, just more, rest assured
You don't have to worry, at all

At all, at all
Don't worry at all

You say you don't deserve me
You say I'm too good for you
But, babe, you're so much better
Than you think you are
Whenever I feel down
You come and lift me up
Loving you is easy
And I would never stop

I won't love you no less, just more, rest assured
In you I found what I've been looking for, rest assured
I won't love you no less, just more, rest assured
You don't have to worry, at all

You nah fi fret, nah fi doubt, nah fi fret
Nobody care what anyone say
You nah fi fret, nah fi doubt, nah fi fret
Me love ya like butter love bread
You nah fi fret, nah fi doubt, nah fi fret
Nobody care what anyone say
You nah fi fret, nah fi doubt, nah fi fret
Me love ya like butter love bread

I won't love you no less, just more, rest assured
In you I found what I've been looking for, rest assured
I won't love you no less, just more, rest assured
You don't have to worry

I won't love you no less, just more, rest assured
In you I found what I've been looking for, rest assured
I won't love you no less, just more, rest assured
You don't have to worry, at all

At all, at all
Don't worry at all
At all, at all
