

# Big Plans

Ayria

This place gets smaller  
By the minute  
I won't stay just to  
Get dragged down with it  
I'm claustrophobic  
I'm tearing at the walls  
Watching  
Let go  
From a run to a crawl

I run away  
I've got big plans  
I won't look back  
Can't stay here  
Can't you see that?

When did it get so bad?  
How'd I become so bored?  
This restlessness  
Can no longer be ignored  
Too many setbacks  
Too many empty nights  
Stuck in this place  
It just never felt right

I run away  
I've got big plans  
I won't look back  
Can't stay here  
Can't you see that?  
I run away  
There's nothing left for me  
I won't look back  
I can't stay here  
Why can't you see?

Looking up ahead  
To a new place I'll call home  
Where streets are calling me  
Promising me things unknown  
Where city lights distract me  
Nights left me thinking  
I can start again  
Don't worry about me  
I've always been fine on my own

I run away  
I've got big plans  
I won't look back  
Can't stay here  
Can't you see that?  
I run away  
There's nothing left for me  
I won't look back  
I can't stay here  
Why can't you see?
