## The Gun Song

Put down the gun, put down the gun Put down the gun Put it down "Shut up," he said "Let me speak for a minute or two or three Now you're gonna stop interrupting me" So what ya gonna do? 'Cause looking in his face shows a life revealing years of pain So we'll drop down, let go all because he said so Boys - with shiny violent killing Toys - it's all a bit too real now Noise - this cycle will continue Boys Put down the gun, put down the gun Put down the gun Put it down, put it down, put it down Shut up, my turn To be heard using force is all that occured to him And now he's blaming everyone, 'cause he's always been a victim He's filled with rage, heart beating so fast, don't set him off I try to make a move but the little boy says, "Shut up or I'll kill ya" Put it down, put it down, put it down Shut up or I'll kill ya Put it down, put it down, put it down Put it down, put it down Boys - with shiny violent killing Toys - it's all a bit too real now Noise - this cycle will continue Boys - 'cause we can't all be heroes Boys - with shiny violent killing Toys - it's all a bit too real now Noise - this cycle will continue Boys - 'cause we can't all be heroes

Put down the gun, put down the gun Put down the gun Put it down, put it down, put it down Scatter gun It's a war game, making enemies and allies Scatter gun Pushed too hard, too fast, totally offside Scatter gun Big gun in the hands of a greedy man Scatter gun Take a hit, take a shot, just to take a stand Put it down, put it down, put it down Put it down, put it down, put it down Put it down, put it down, put it down Put it down, put it down, put it down
