

## Kiss from a Rose

Az Yet

There used to be a graying tower alone on the sea  
And you became the light on the dark side of me  
But love remained a drug that's the high and not the pill

But did you know  
That when it snows  
My eyes become large  
And the light that you shine can be seen

Baby, I compare you to a kiss from a rose on the gray  
Ooh, the more I get of you, the stranger it feels, yeah  
And now that your rose is in bloom  
A light hits the gloom  
On the gray

There is so much a man can tell you, so much he can say  
And you remain my power, my pleasure, my pain, baby  
To me you're like a growing addiction that I can't shake off  
Won't you tell me is that healthy, baby?

But did you know  
That when it snows  
My eyes become large  
And the light that you shine can be seen

Baby, I compare you to a kiss from a rose on the gray  
Ooh, the more I get of you, the stranger it feels, yeah  
And now that your rose is in bloom  
A light hits the gloom  
On the gray

I've been kissed by a rose on the gray  
I've been kissed by a rose on the gray  
I've been kissed by a rose on the gray  
I've been kissed by a rose on the gray

There is so much a man can tell you, so much he can say  
You remain my power, my pleasure, my pain, baby  
To me you're like a growing addiction that I can't shake off  
So won't you tell me is that healthy, baby

Baby, I compare you to a kiss from a rose on the gray  
Ooh, the more I get of you, the stranger it feels, yeah  
And now that your rose is in bloom  
A light hits the gloom  
On the gray
