

Somebody (somebody), somebody (somebody)  
Told me that I should just run the other way  
When I said your (when I said your), name they said (name they said)  
You're just a heartbreaker, you're just a heartbreaker

Turn on the black lights, and girl dust me down  
Fingerprints are everywhere  
Cause when you touch me there  
And when you kiss me there, whoa

She's just a kleptomaniac stole my heart again  
And I just don't know how to act when I know she's near  
She's a kleptomaniac, kleptomaniac  
Stole my heart again  
She's a kleptomaniac  
She's no good, but so damn good for me  
She's a kleptomaniac, she's a klepto, she's a klepto  
She's no good, but so damn good for me  
She's a kleptomaniac, she's a klepto, she's a klepto  
She's no good, but so damn good for me

She could have stole a diamond ring  
And it wouldn't mean a thing to me  
And you don't even know the half  
She left me in the dark  
Like an undeveloped photograph

She's just a kleptomaniac stole my heart again  
(She stole it, she stole it, she stole it)  
And I just don't know how to act when I know she's near  
She's a kleptomaniac, kleptomaniac  
Stole my heart again  
She's a kleptomaniac  
She's no good, but so damn good for me  
She's a kleptomaniac, she's a klepto, she's a klepto  
She's no good, but so damn good for me  
She's a kleptomaniac, she's a klepto, she's a klepto  
She's no good, but so damn good for me

She's no good, but she's so good for me  
She's no good, but she's so good for me  
She's no good, but she's so good for me  
(Kleptomaniac, kleptomaniac)  
She's no good, but she's so good for me  
(But she's so good for me)  
She's no good, but she's so good for me  
(But she's so good, but she's so good)  
She's no good, but she's so good for me  
(Kleptomaniac, kleptomaniac)  
(But she's so good for me)  
She's no good, but she's so good for me  
(Kleptomaniac, kleptomaniac)  
She's no good, but she's so good for me
