

## Do Me This Way

AZ

I mean, I mean we peoples man we started from the bottom. I thought it was gonna be fly up to the top you dig. I mean, ya know? we all got dreams and aspirations man I mean we peoples we do ne been through it all you gon, you gon do me like this? we dam n near family wasup man talk to me

We been down from the dirt genesis birth  
Woulda swore we woulda balled 'till they set us in the earth  
We was been on our worst with the letters on our shirt  
Jewels on our chest only moved with the best  
The rest was upset but the rest was no threat  
Fresh was the less sky box at the Jets  
Floor at the Nets we was more than some vets  
Legandary known balled more than the mess  
But guess princess says on the neck for wreck  
Venley I styled off the deck, was speck  
Jail calls accept all collects connects had all kinds of niggas  
in check

Correct

I wouldn't of known this here was next got a gun to my head and  
you want a nigga dead

I mean, listen you could have it all baby I mean, I only get on  
e life ain't no remix on it we family still. So many whirls we  
go through, my shorty

I showed you the life I gave you the mic  
You ain't shy no more you say what you like  
You play all polite but its all day and night  
Bipolar zone but I gave you the throne  
Next to the king you untreachurous thing  
You set the stage I selected the ring your first Jimmy Juice yo  
ur red bottom shoes  
Spy bag collection I had direction  
I kept giving you kept accepting smiley face texting so wide a  
deception  
Why munip me? do it so slickly you said you loved I but you fuc  
king the next guy  
If it was me you'da pulled the left eye but let's try  
Though I can't believe it  
I know the best I but we got a chance to weave it  
See its never too late when together you stay  
I just would've never ever thought you stray

It's okay I mean, just to fuck that's what you was just doing f  
ucking right? I mean that's for the moment I'm a bigger nigga I  
done do my lil dirt but, got too much shit going on don't do t  
he kid like this pack your shit we out of here
