## **Dreams Come True**

Dreams are there to show you the way (Better take a look inside) Close your eyes find out what they're trying to say (You gotta take a look inside)

Only for a minute Just to make a start Imagine what you wanna see

Wake him up the wizard Sleeping in your heart Just imagine what you wanna be Don't you know that...

Dreams come true they do Dreams come true From all of us to all of you they do

Don't you know that dreams come true Love is just a second away (Better take a look inside) Make that magic rule, let the miracle stay (You gotta take a look inside)

Only for a minute It's not a fantasy Just imagine what you wanna be

Don't you know that...

Don't you know that dreams come true Don't you know that dreams come true Only for a minute You can make your dreams come true
