Azaghal

Blood And Ashes

Brotherhood of the black death
Heralds of the great king pest
Carriers of the cold fire
Harbringers of his message

Like Satan's hammer
We strike with force of hatred
Rusty nails and hooks
Like Satan's hammer

With curses and plagues
I bless this world
This is my gift to humankind:
Blood and ashes

Servants of the black fire
Apostoles of Satan
From the chaos born
Risen in honour

With nightmares and oaths
I bless this world
This is my gift to you:
Total death!

Black Terror Metal Hell!
