

Whip The Whore

Azarath

Feel the pain, you bitch
I cut through your flesh
Kneel down, holy bitch
Take the punishment
Feel my whip, you whore
I want all your blood
Suffer, holy whore
You will die, you slut

Whip the whore!
Whip the whore!

Phallus shall inherit
The sweet virgin's cunt
Take the pain, Mary
And swallow my cum

Whip the whore!
Whip the whore!

Bestial desecration
of the holy flesh
Blasting with aggression
I bring punishment

Whip the whore!
Whip the whore!

Die, holy bitch!
Die, holy whore!
Die, holy slut!
Die, virgin mother!
Whip the whore!
Whip the whore!
