

Favorite Cities

Azure Ray

So it's grey, well so are my favorite cities
And we have, we have all the time in the world here
We'll just stay tucked in the shade and our eyes they can't be
blinded
We'll just stay tucked in the shade
So it's grey, well so are my favorite cities
And the sky on such a memorable night
And we have, we have all the time in the world here
That's a lie, that's a lie...
