

Signs In the Leaves

Azure Ray

I'm a little worried
That I killed something inside of me
When I let you go

Days were dark with you in my mind
I thought it best to be free

And now the birds don't sing
And the trees don't speak
And I don't see signs in the leaves
Anymore

I'm a little worried
That I killed something inside of me
When I let you go

It's a stranger's eyes that won't meet mine.
There's nothing left there to divide

'Cause the birds don't sing
And the trees don't speak to me
And I don't see signs in the leaves
Anymore

I'm a little worried
I'm a little worried
That I killed something inside of me
When I let you go
When I let you go
When I let you go
