

Make It Bang

Baauer

So make me lose control
When I get up on this floor
We gonna turn up in this club
Make you throw your hands up
My niggas, so good
Baby scream my name
I like it rough so make it bang
Make it bang make it bang
Make it rain
I'm a pricey bitch I'm an icy bitch
I'ma just do it like Nike bitch
I see more Os than Apple checks
So make it bang make it bang
