

Way from Me

Baauer

Way from me

Way from me

Seeing you brace to me

I'm feeling like I want to know you

I'm feeling like I must...

Believe me If only

I miss the chance

It's just a feeling

It's just an energy

Waiting on the side to see

To see if you do things the way I like done for me

Guess...

Guess I was never good for anyone

I want to know

I want to know

I want to know

(To see if you're) Way from me

(To see if you're) Way from me
