

Let It Ride

Bachman-Turner Overdrive

Goodbye, I lied
Don't cry, would you let it ride
Don't cry, would you let it ride

You can't see the mornin, but I can see the light
Drive, Drive, Drive, let it ride
While you've been out runnin
I've been waitin half the night
Drive, Drive, Drive, let it ride

And would you cry if I told you that I lied
And would you say goodbye or would you let it ride
And would you cry if I told you that I lied
and would you say goodbye or would you let it ride

Babe, my life is not complete, I never see you smile
Drive, Drive, Drive, let it ride
Baby you want the forgivin kind and that's just not my style
Drive, Drive, Drive, let it ride

And would you cry if I told you that I lied
And would you say goodbye or would you let it ride
And would you cry if I told you that I lied
and would you say goodbye or would you let it ride

I've been doin things worthwhile, you've been bookin time
Drive, Drive, Drive, let it ride

And would you cry if I told you that I lied
And would you say goodbye or would you let it ride
And would you cry if I told you that I lied
and would you say goodbye or would you let it ride

Would you let it ride, would you let it ride
Would you let it ride, would you let it ride

Drive, Drive, Drive, let it ride
Drive, Drive, Drive, let it ride
Drive, Drive, Drive, let it ride
Drive, Drive, Drive, let it ride

Would you let it ride, would you let it ride
Would you let it ride, would you let it ride
