I wanna go, I should have said no
D
Someone's waiting for me

E F#
But I'm gonna go up and see

Bmi
R: Listen Baby I'm sorry

D E F# Bmi

2. Now till it's done nothing's been won
I can't take it back what's done is done
One of her friends found out
That she wasn't the only one
And it eats me from inside, that she's not by my side
Just because I made that call and lied
