

# Voyage Into Infinity

Bad Brains

On this voyage to infinity  
Can't forget to take your soul  
Cause at the port you'll find no double sign (No-oh-ohh)  
(Huh!) It feels so good to know  
That his light will shine forever and ever  
(Huh!) You know it feels so good  
(Huh!) Rasta is not a lie

On this cruise you will have peace of mind  
With a garden reeked of love  
For the sake of earnest unity  
On this voyage to infinity

On this voyage to infinity  
Can't forget to take your soul  
Cause at the port you'll find no double sign  
Oh no, oh no, oh no, noo!  
It feels so good to know  
His light will shine forever and ever (Oh yea)  
It feels so good to know (Huh!)  
Rasta is not a lie
