

# You Are a Migraine

Bad Brains

You'll never be like me  
You'll never be able to fight  
You never know  
You never care

Y'all might fight, y'all are too much  
Y'all might fight, y'all are too much  
Y'all might fight, y'all are too much

You'll never be like me  
You'll never be able to say

You never know  
You never care

Y'all might fight, y'all are too much  
Y'all might fight, y'all are too much  
Y'all might fight, y'all are too much

Y'all might fight

Y'all might fight, y'all are too much
