Don't just stand beside yourself with worry
Forget your cares get ready to go
Why scuff your shoe shine in the scurry
Well Benny Wriggle I think you'd better go
Oh, oh, oh, oh, oh, oh

Don't you stand by nothing you can think of
If you know something you gotta show
No matter what you're on the brink of
Keep your secrets everybody'll know
Oh, oh, oh, oh, oh, oh

Oh, oh, oh, oh, oh, oh, agh

Don't you kick yourself or bruise your knuckles
I'll tell you something you ought to know
Your day-to-day is full of chuckles
Well Benny Wriggle I think you'd better go
Oh, oh, oh, oh, oh, oh
