

Big 5

Bad Manners

Come over, get me brush up
Going to rub a pussy here tonight
Heavy rain falling
I can feel my [horn burst] getting stiff in hand
Spunky, spunky night in Big Five
Spunky, spunky night in Big Five
It's gonna be pussy versus cocky tonight
It's gonna be pussy versus cocky tonight
Right now I'm feeling irie
Want a big, fat pussy this December night
Today I smoke an ounce of weed
Tonight I'm gonna plant a seed
In her wump, alright
Spunky, spunky night in Big Five
Spunky, spunky night in Big Five
It will be squeaking all over the bed
I'll be water all over her head
How many times i begged her
To let me love, kiss and caress her
And to think that now she comesbeg me to do it for her
I'm gonna jook her with vengeance tonight, oh yeah
Right now I'm feeling irie
Want a big, fat pussy this December night
Today I smoke an ounce of weed
Tonight I'm gonna plant a seed
In her wump, alright
Spunky, spunky night in Big Five
Spunky, spunky night in Big Five
It's gonna be pussy versus cocky tonight
It's gonna be pussy versus cocky tonight
It's gonna be pussy versus cocky tonight
It's gonna be pussy versus cocky tonight
It's gonna be pussy versus cocky tonight
It's gonna be pussy versus cocky tonight
It's gonna be pussy versus cocky tonight
