

Never Will Change

Bad Manners

I do things I know that I shouldn't
Even though I wish that I wouldn't
Bad mistakes, I know when I've made them
Principles, I often betrayed them
Stayed in bed, it's not that I'm lazy
Getting up, it strikes me as crazy
When I hear the rain on my window
I make sure I have no place to go

Very strange
Reco much, not many benny
Very strange
I'll admit that I'm a little out of range
But you see there's no chance that I'll ever change
No no no no no no no no
I'll never change
(No he won't change)
Never will change
You know I'll never change
(He'll never change)
Never will change
You know I'll never change
(Why should he change)
Never will change
You know I'll never change
(No he won't)
I'll never change
(No he won't)
I'll never change my way
(Oh no no no)

Always skint, I ain't got no money
Sometimes laugh at things that ain't funny
Showing off when I go out drinking
Have a drink and say what I'm thinking
Telling lies to try and impress you
Don't know why, I don't think I have to
Lied about my qualifications
A symbol of the state of the Nation

Very strange
Reco much, not many benny
Very strange
I'll admit that I'm a little out of range
But you see there's no chance that I'll ever change
No no no no no no no no
I'll never change
(No he won't change)
Never will change
You know I'll never change
(He'll never change)
Never will change
You know I'll never change
(Why should he change)
Never will change
You know I'll never change
(No he won't)

I'll never change
(No he won't)
I'll never change my way
(Oh no no no)

Very strange
Reco much, not many benny
Very strange
I'll admit that I'm a little out of range
But you see there's no chance that I'll ever change
