

Runaway

Bad Manners

Working in an office
Drinking lots of tea
Looking out the window
Euro-industry

See me runaway, see me runaway
See me running from the big bog

Runaway
Leg it!
Runaway
Leg it!

We could live together
Without guilt or fear
Read the Sunday papers
It won't happen here

See me runaway, see me runaway
See me running from the big bog

Runaway
Leg it!
Runaway
Leg it!

If you like this poison
Pay no mind to me
Matters very little
Whether you'll agree

See me runaway, see me runaway
See me running from the big bog
See me runaway, see me runaway
See me running from the big bog

Runaway
Leg it!
Runaway
Leg it!

Now's the time for you to run and hide
Your little back-side
Bad Manners Come fe conquer

Certain kinds of trousers
Watching the TV
Cherry flavoured undies
Makes no sense to me

See me runaway, see me runaway
See me running from the big bog

La la la la la la
La la la la la
La la la la la la
La la la la la

Hoink hoink hoink hoink...
Bad Manners come fe conquer
