

Electric Circus

Bad Suns

Ah-ah-ah-ah, ah-ah-ah-ah-ah-ah
Electric hideaway
My pride and shame
Ah-ah-ah-ah, ah-ah-ah-ah-ah-ah
Riding a tidal wave
Of lies and blame

Dream electric dreams
Perfect on the surface
Life is but a stream where everybody's shirtless
Tell me what you mean
To be heard is to hurt less
Nothing's what it seems at this electric circus

Ah-ah-ah-ah, ah-ah-ah-ah-ah-ah
Electric hideaway
My pride and shame
Ah-ah-ah-ah, ah-ah-ah-ah-ah-ah
Crushed by a tidal wave
Of lies and blame

Trash my self-esteem
When you're feeling worthless
Hunched over a screen to feel some sense of purpose

I'm trying so hard to make it look easy
Falling apart with a smile on my face
Everyone loves everybody until they need something
Then I pretend like I didn't hear my cellphone ring *ring*

Ah-ah-ah-ah, ah-ah-ah-ah-ah-ah
Electric hideaway
My pride and shame
Ah-ah-ah-ah, ah-ah-ah-ah-ah-ah
Riding a tidal wave
Of lies and blame
Ah-ah-ah-ah, ah-ah-ah-ah-ah-ah
Crushed by a tidal wave
Of lies and blame

There's no one beneath me
It's so easy
To leave me
I loved you completely
So deeply
So briefly

Ah-ah-ah-ah, ah-ah-ah-ah-ah-ah
Electric hideaway
My pride and shame
Ah-ah-ah-ah, ah-ah-ah-ah-ah-ah
Crushed by a tidal wave
Of lies and blame

Oh
Nothing's what it seems at this electric circus
