

Heaven Is A Place In My Head

Bad Suns

Take me
Anywhere besides here baby
Summer never lasts
As long as you want it to
As long as I'm next to you

Night drive, no headlights
The moonlight guides the way
Your tan lines burned in my mind
I'm chasing yesterday

Memory tapes stuck on repeat
Pictures of you, pictures of me
I picture the world we never got to see
Heaven is a place in my head

Take me
Anywhere besides here, baby
Summer never lasts
As long as you want it to
As long as I'm next to you, don't
Wake me
I'm living in a goddamn daydream
Nothing ever lasts
As long as you want it to
As long as I'm next to you

I'm feeling like the sun never sets
That summer was endless
That summer was endless
That summer was, oh

Sunrise tears in your eyes
You had a plane to catch
My world's become a house of mirrors
Reflecting every path where
I wake up, find you in my bed, oh yeah
Heaven is a place in my head

Take me
Anywhere besides here, baby
Summer never lasts
As long as you want it to
As long as I'm next to you, don't
Wake me
I'm living in a goddamn daydream
Nothing ever lasts
As long as you want it to
As long as I'm next to you

I'm feeling like the sun never sets
That summer was endless
That summer was endless
That summer was, oh

Memory tapes stuck on repeat
Pictures of you, pictures of me

I picture the world we never got to see, yeah

Take me
Anywhere besides here, baby
Summer never lasts
As long as you want it to
As long as I'm next to you, don't
Wake me
I'm living in a goddamn daydream
Nothing ever lasts
As long as you want it to
As long as I'm next to you

I'm feeling like the sun never sets, oh yeah
Heaven is a place in my head
That summer was endless
That summer was endless
That summer was, oh
That summer was endless
That summer was, oh
Heaven is a place in my head
That summer was endless
