

Maybe We're Meant To Be Alone

Bad Suns

I've got a picture perfect plan
But I can't go in alone
Are we whole or just two halves
Reaching out to the unknown?

No, I can't help my ways
It don't make such sense to me
All these cold and rainy days
Maybe we're meant to be alone

I've got a voice inside my head
And a feeling in my gut
I don't know just who to believe
When you're torn in two, who can you trust?

No I can't help my ways
It don't make much sense to me
All these cold and rainy days
Maybe we're meant to be alone
Maybe we're meant to be alone
Maybe we're meant to be alone
Maybe we're meant to be alone

And then I met you, I wanted to love you so bad
But I don't know if I'll let myself
You came here for somebody else
And now I'm trying hard to heal
Sometimes I fantasize about faking my own death
Just to see how it would make you feel

No I can't help my ways
It don't make much sense to me
All these cold and rainy days
Maybe we're meant to be alone
So what's wrong with my ways?
Why can't it make sense to me?
I'm sick of these rainy days
Maybe we're meant to be alone

Maybe we're meant to be alone
Maybe we're meant to be alone
Maybe we're meant to be alone
Maybe we're meant to be alone
Maybe we're meant to be alone
Maybe we're meant to be alone
Maybe we're meant to be alone
