

Cowboy

Badfinger

Hey cowboy, I dig your blues
You must have had a heavy day
Hey cowboy, I dig your shoes
I know they're walking heavenly ways

Now, I know you well enough to say, "yeah"
Yeah, yeah, to say, "yeah"
Hey soldier, it's up to you
To see you make it home today

Now, I know you well enough to say, "yeah"
Yeah, yeah, to say, "yeah"
Hey soldier, it's up to you
To see you make it home today

"... all his teeth
Well, take your partners and dosey doh
Be like me, and see how it goes"

Now, I know you well enough to say, "yeah"
Yeah, yeah, to say, "yeah"
Hey soldier, it's up to you
To see you make it home today
