

Dear Angie

Badfinger

Dear Angie, just these lines to confirm something you may know
Dear Angie, please excuse the writing, it's my nerves, you know

When you caught your train today
You took my heart and soul away
I can't wait 'til Friday night
To see you, touch you, hold you tight

Dear Angie, how's your folks and relatives?
I hope they're well
Dear Angie, I'm spending my vacation at that same hotel

I've known you now for one whole year
There's something I've not told you, dear
Turned a blind eye for too long
This letter proves that I've been wrong

Ba ba da, oooooooh
Ba ba da, oooooooh

I've known you now for one whole year
There's something I've not told you, dear
Turned a blind eye for too long
This letter proves that I've been wrong

Dear Angie, I've beat about the bush, it's time I spoke my mind
Dear Angie, It's been a long time coming, guess I've been unkind

Dear Angie, the writing's on the wall
Dear Angie, I love you, you're my all
Guess that's all.
