

I Need a Sign

Badly Drawn Boy

Pass me a line
Reel me in
From this sin
I need a sign

She moves on
Like a demon
Crashing in
Cashing out
I need a sign

Kick this fear down
I need a sign
I've been feeling down
I need a sign

Oh this dream
I've been dreaming I left you
Count me out
From this doubt
I need a sign

And these trees
Without their leaves
I can see you
Trees are green
Not what they seem
I need a sign

Kick this fear down
I need a sign
I've been feeling down
I need a sign

Buy me some time
Pull me out
From this doubt
I need a sign

Ride with me
Through land and sea
Where we'll be fine
I'm lost
Because
I need a sign

Kick this fear down
I need a sign
I've been feeling down
I need a sign
