

Beautiful

Bag of Toys

Left the coast by a / half past five and i
don't need to believe/ in the things that she says
...oh no cuz she's beautiful

Freed my mind with a / long ass drive to the
spot where we met and/ talked and sweat our love
...oh no cuz she's beautiful

Every time i see her i just loose my mind when she comes near
Everything, everything, I see you...oh, no, no, cuz she's beautiful

Took the time to stay / up all night to be
Breaking stuff that you left sitting round here
...oh no cuz she's beautiful

Broke the TV and Smashed those CDs and
Trashed everything that you held in your heart as dear
...oh no cuz she's beautiful

Every time i see her i just loose my mind when she comes near
Everything, everything, I see you...oh, no, no, cuz she's beautiful

I feel! / Lost myself when ever she is oh...
So Near! / Blown away the pieces that you leave
Reveal...EVERYTHING I FEEL CUZ SHE'S BEAUTIFUL!
