

This Is A Flirt

Balthazar

Dance, dance,
wanna make you my romance
I've got you here in the fog
how 'bout some Hollywood talk
yeah baby, bet we do more
than all the lovin' next door
and even more than before
they had them kids on their floor

Do you wanna love,
cause I'm in love with you

Dance, dance,
how 'bout some love offence
what an awful timing to take
another cigarette break
baby, you know it takes two
to smoke taboo out of you
and steamy windows ain't wrong
to leave your phone number on
